

202S43W102KV4E

Part Number: 202S43W102KV4E

Manufacturer Johanson Dielectrics, Inc.

Description CAP CER 1000PF 2KV X7R 1812

Data sheet:  Ceramic Cap Catalog

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                               | 1000pF ±10% 2000V (2kV) Ceramic Capacitor X7R 1812 (4532 Metric) | Capacitance                      | 1000pF                                |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                       | General Purpose                                                  |                                  |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Johanson Dielectrics, Inc. series electronic components. We have 323451 pieces of Johanson Dielectrics, Inc. 202S43W102KV4E in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                  |                                  |                                       |
