

2220Y0500223JDT

Part Number: 2220Y0500223JDT

Manufacturer Knowles Syfer

Description CAP CER 0.022UF 50V X7R 2220

Data sheet:  [MLCC High Reliability Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                     | 0.022µF ±5% 50V Ceramic Capacitor X7R (2R1) 2220 (5750 Metric) | Capacitance                     | 0.022µF                                         |
| Applications                                                                                                                                                                                                                                                                                                                                                                                             | High Reliability, Boardflex Sensitive                          |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 26519 pieces of Knowles Syfer 2220Y0500223JDT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                |                                 |                                                 |
