

2220Y6300334KST

Part Number: 2220Y6300334KST

Manufacturer Knowles Syfer

Description CAP CER 0.33UF 630V X7R 2220

Data sheet:  [PSL Range MLCs](#)

RoHs Status: Lead free / RoHS Compliant

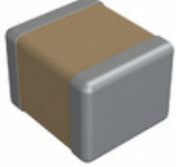

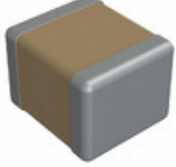

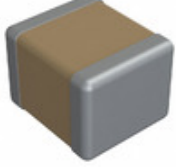

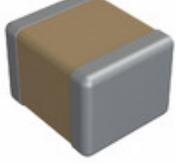

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 0.33µF ±10% 630V Ceramic Capacitor X7R 2220 (5750 Metric) | Capacitance                      | 0.33µF                                |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | Automotive, Boardflex Sensitive                           |                                  |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 15442 pieces of Knowles Syfer 2220Y6300334KST in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                           |                                  |                                       |
