

2225J0250183KFT

Part Number: 2225J0250183KFT

Manufacturer Knowles Syfer

Description CAP CER 0.018UF 25V C0G/NP0 2225

Data sheet:  [MLCC High Reliability Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 0.018μF ±10% 25V Ceramic Capacitor C0G, NP0 (1B) 2225 (5763 Metric) |                                 | Capacitance 0.018μF                             |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | High Reliability                                                    |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 24182 pieces of Knowles Syfer 2225J0250183KFT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                     |                                 |                                                 |
