

2225J0630561JFT

Part Number: 2225J0630561JFT

Manufacturer Knowles Syfer

Description CAP CER 560PF 63V C0G/NP0 2225

Data sheet:  [MLCC High Reliability Datasheet](#)

RoHS Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                     | 560pF ±5% 63V Ceramic Capacitor C0G, NP0 (1B) 2225 (5763 Metric) | Capacitance                     | 560pF                                           |
| Applications                                                                                                                                                                                                                                                                                                                                                                                             | High Reliability                                                 |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 28207 pieces of Knowles Syfer 2225J0630561JFT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                  |                                 |                                                 |
