

2225J5000821KDR

Part Number: 2225J5000821KDR

Manufacturer Knowles Syfer

Description CAP CER 820PF 500V X7R 2225

Data sheet:  [MLCC High Reliability Datasheet](#)

RoHS Status: Lead free / RoHS Compliant

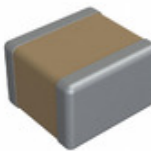

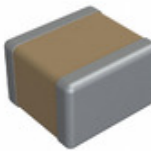

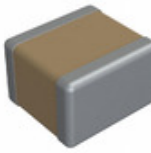

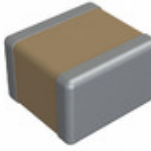

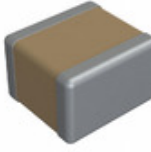

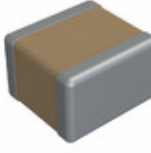

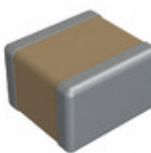

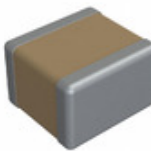

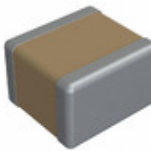

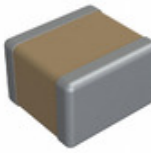

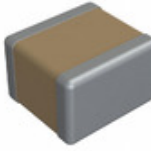

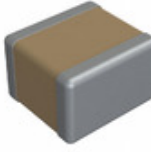

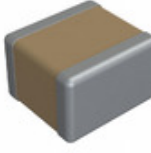

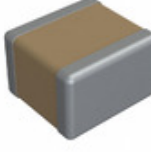

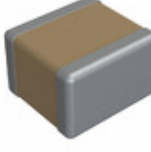

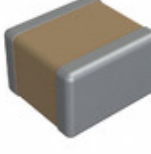

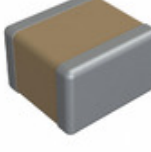

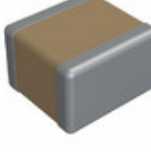

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 820pF ±10% 500V Ceramic Capacitor X7R (2R1) 2225 (5763 Metric) | Capacitance                     | 820pF                                           |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | High Reliability                                               |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 37168 pieces of Knowles Syfer 2225J5000821KDR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                |                                 |                                                 |
