

225P68391WD3

Part Number: 225P68391WD3

Manufacturer: [Cornell Dubilier Electronics](#)

Description: CAP FILM 0.068UF 10% 100VDC RAD

Data sheet:  [225P Type](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | DC Link, DC Filtering                            |                                  |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 63740 pieces of Cornell Dubilier Electronics 225P68391WD3 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                  |                                  |                                              |
