

226PUM016M

Part Number: 226PUM016M

Manufacturer Illinois Capacitor

Description CAP ALUM 22UF 20% 16V THRU HOLE

Data sheet:  [PUM Series Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                           | 22µF 16V Aluminum Electrolytic Capacitors Radial, Can 12.057 Ohm @ 120Hz 2000 Hrs @ 85°C |                                    | Capacitance                          | 22µF |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                   | General Purpose                                                                          |                                    |                                      |      |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Illinois Capacitor series electronic components. We have 1623949 pieces of Illinois Capacitor 226PUM016M in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                          |                                    |                                      |      |
