

250R05L6R2DV4T

JOHANSON  
TECHNOLOGY

Part Number:

250R05L6R2DV4T

Manufacturer:

Johanson Technology

Description:

CAP CER 6.2PF 25V NP0 0201

Data sheet:

 [MLCC High-Q Caps Datasheet](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Features                                                                                                                                                                                                                                                                                                                                                                                                                                                             | High Q, Low Loss           | Detailed Description            | 6.2pF ±0.5pF 25V Ceramic Capacitor C0G, NP0 0201 (0603 Metric) |
| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 6.2pF                      | Applications                    | RF, Microwave, High Frequency                                  |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Johanson Technology series electronic components. We have 4273950 pieces of Johanson Technology 250R05L6R2DV4T in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                            |                                 |                                                                |
