

251R14S5R6BV4T

Part Number: 251R14S5R6BV4T

Manufacturer Johanson Technology

Description CAP CER 5.6PF 250V NP0 0603

Data sheet:  [MLCC High-Q Caps Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                 | 5.6pF ±0.1pF 250V Ceramic Capacitor C0G, NP0 0603 (1608 Metric) | Capacitance                      | 5.6pF                                      |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                         | RF, Microwave, High Frequency                                   |                                  |                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Johanson Technology series electronic components. We have 393320 pieces of Johanson Technology 251R14S5R6BV4T in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                 |                                  |                                            |
