

251R15S121GV4E

**JOHANSON TECHNOLOGY**

Part Number: 251R15S121GV4E

Manufacturer: Johanson Technology

Description: CAP CER 120PF 250V NP0 0805

Data sheet:  [MLCC High-Q Caps Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Features                                                                                                                                                                                                                                                                                                                                                                                                                                                            | High Q, Low Loss            | Detailed Description            | 120pF ±2% 250V Ceramic Capacitor C0G, NP0 0805 (2012 Metric) |
| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 120pF                       | Applications                    | RF, Microwave, High Frequency                                |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Johanson Technology series electronic components. We have 349239 pieces of Johanson Technology 251R15S121GV4E in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                             |                                 |                                                              |
