

293D106X9016B2TE3

Part Number: 293D106X9016B2TE3

Manufacturer: Electro-Films (EFI) / Vishay

Description: CAP TANT 10UF 16V 10% 1411

Data sheet:  293D Series Datasheet

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| ESR (Equivalent Series Resistance)                                                                                                                                                                                                                                                                                                                                                                                                        | 2 Ohm                                 | Detailed Description             | 10µF Molded Tantalum Capacitors 16V 1411 (3528 Metric) 2 Ohm |
| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                               | 10µF                                  |                                  |                                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 840691 pieces of Electro-Films (EFI) / Vishay 293D106X9016B2TE3 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                       |                                  |                                                              |
