

293D226X9016D2TE3

Part Number: 293D226X9016D2TE3

Manufacturer: Electro-Films (EFI) / Vishay

Description: CAP TANT 22UF 16V 10% 2917

Data sheet:  293D Series Datasheet

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| ESR (Equivalent Series Resistance)                                                                                                                                                                                                                                                                                                                                                                                                        | 800 mOhm                              | Detailed Description             | 22µF Molded Tantalum Capacitors 16V 2917 (7343 Metric) 800 mOhm |
| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                               | 22µF                                  |                                  |                                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 247768 pieces of Electro-Films (EFI) / Vishay 293D226X9016D2TE3 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                       |                                  |                                                                 |
