

298D156X0010M2T

Part Number: 298D156X0010M2T

Manufacturer: Electro-Films (EFI) / Vishay

Description: CAP TANT 15UF 10V 20% 0603

Data sheet:  298D,W Series Datasheet

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| ESR (Equivalent Series Resistance)                                                                                                                                                                                                                                                                                                                                                                                                     | 7.5 Ohm                               | Detailed Description             | 15µF Molded Tantalum Capacitors 10V 0603 (1608 Metric) 7.5 Ohm |
| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                            | 15µF                                  |                                  |                                                                |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 99169 pieces of Electro-Films (EFI) / Vishay 298D156X0010M2T in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                       |                                  |                                                                |
