

333MKP275K

Part Number: 333MKP275K

Manufacturer Illinois Capacitor

Description CAP FILM 0.033UF 10% 310VAC RAD

Data sheet:  [MKP Series Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

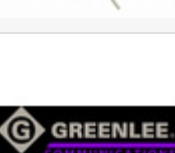

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                          | 0.033µF Film Capacitor 310V Polypropylene (PP), Metallized Radial | Capacitance                      | 0.033µF                                |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                  | EMI, RFI Suppression                                              |                                  |                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Illinois Capacitor series electronic components. We have 435870 pieces of Illinois Capacitor 333MKP275K in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                   |                                  |                                        |
