

336SVH010MDR

Part Number: 336SVH010MDR

Manufacturer Illinois Capacitor

Description CAP ALUM 33UF 20% 10V SMD

Data sheet:  [SVH Series Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                     | 33µF 10V Aluminum Electrolytic Capacitors Radial, Can - SMD 12.06 Ohm @ 120Hz 2000 Hrs @ 105°C | Capacitance                        | 33µF                                  |
| Applications                                                                                                                                                                                                                                                                                                                                                             | General Purpose                                                                                |                                    |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Illinois Capacitor series electronic components. We have 971697 pieces of Illinois Capacitor 336SVH010MDR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours. |                                                                                                |                                    |                                       |
