

380LQ152M200K042

Part Number:

380LQ152M200K042

Manufacturer:

Cornell Dubilier Electronics

Description:

CAP ALUM 1500UF 20% 200V SNAP

Data sheet:

 [380LQ Type](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                    | 1500µF 200V Aluminum Electrolytic Capacitors Radial, Can - Snap-In 2000 Hrs @ 85°C | Capacitance                        | 1500µF                                       |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                            | General Purpose                                                                    |                                    |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 40670 pieces of Cornell Dubilier Electronics 380LQ152M200K042 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                                    |                                    |                                              |
