

482

**Part Number:** 482

**Manufacturer:** Adafruit

**Description:** SWITCH PB 16MM GRN LED

**Data sheet:**  482

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Category                       | Switches                                                                | Voltage Rating - DC              | 250V                                   |
| Type                           | Vandal Resistant, Illuminated                                           | Termination Style                | Solder, Quick Connect - 0.110" (2.8mm) |
| Switch Function                | On-On                                                                   | Series                           | -                                      |
| Panel Cutout Dimensions        | Circular - 16.00mm Dia                                                  | Packaging                        | Bulk                                   |
| Other Names                    | 1528-1112<br>Q9127042B                                                  | Operating Temperature            | -20°C ~ 55°C                           |
| Mounting Type                  | Panel Mount, Front                                                      | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                          |
| Mechanical Life                | 500,000 Cycles                                                          | Manufacturer Standard Lead Time  | 5 Weeks                                |
| Lead Free Status / RoHS Status | Lead free / RoHS Compliant                                              | Ingress Protection               | -                                      |
| Illumination Voltage (Nominal) | 6 VDC                                                                   | Illumination Type, Color         | LED, Green                             |
| Features                       | -                                                                       | Electrical Life                  | 50,000 Cycles                          |
| Detailed Description           | Pushbutton Switch SPDT Vandal Resistant, Illuminated Panel Mount, Front |                                  |                                        |
| Color - Actuator/Cap           | Silver                                                                  | Current Rating                   | 3A (DC)                                |
| Actuator Type                  | Round, Button, Flush                                                    | Circuit                          | SPDT                                   |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Adafruit series electronic components. We have 17743 pieces of Adafruit 482 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
