

483-G533-J1M1-B2S0Z-15A

Part Number: 483-G533-J1M1-B2S0Z-15A

Manufacturer E-T-A

Description CIR BRKR THRM 15A 115VAC 28VDC

Data sheet:  483 Thermal Series

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Illumination                                                                                                                                                                                                                                                                                                                                                                                   | -                                                                                  | Current Rating                  | 15A                        |
| Breaker Type                                                                                                                                                                                                                                                                                                                                                                                   | Thermal                                                                            | Actuator Type                   | Push-Pull Plunger          |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all E-T-A series electronic components. We have 546 pieces of E-T-A 483-G533-J1M1-B2S0Z-15A in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                                    |                                 |                            |
