See Product Specifications for product details.  
Buy 5.0SMCJ26CATR with confidence from  
Component-World.HK, 1 Year Warranty

Part Number:

5.0SMCJ26CATR

Manufacturer:

Sensitron Semiconductor / SMC Diode Solutions

Description:

TVS DIODE 26V 42.1V SMC

Data sheet:

 5.0SMCJ Series

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

Request For Quotation

| PRODUCT PARAMETER                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                    |                                  |                                                               |

| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Sensitron Semiconductor / SMC Diode Solutions series electronic components. We have 90350 pieces of Sensitron Semiconductor / SMC Diode Solutions 5.0SMCJ26CATR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                    |                                  |                                                               |
