

501S42E820KV4E

JOHANSON  
TECHNOLOGY

Part Number:

501S42E820KV4E

Manufacturer:

Johanson Technology

Description:

CAP CER 82PF 500V NP0 1111

Data sheet:

 [MLCC High-Q Caps Datasheet](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 82pF                           | Applications                    | RF, Microwave, High Frequency                                |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Johanson Technology series electronic components. We have 133886 pieces of Johanson Technology 501S42E820KV4E in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                |                                 |                                                              |
