

594D477X0010R2T

Part Number: 594D477X0010R2T

Manufacturer: Electro-Films (EFI) / Vishay

Description: CAP TANT 470UF 10V 20% 2824

Data sheet:  594D Series

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 470µF Conformal Coated Tantalum Capacitors 10V 2824 (7260 Metric) 45 mOhm | Capacitance                        | 470µF                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 20251 pieces of Electro-Films (EFI) / Vishay 594D477X0010R2T in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                           |                                    |                                              |
