

595D155X9025A8T

Part Number: 595D155X9025A8T

Manufacturer: Electro-Films (EFI) / Vishay

Description: CAP TANT 1.5UF 25V 10% 1507

Data sheet:  595D Series Datasheet

RoHs Status: Contains lead / RoHS non-compliant

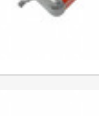

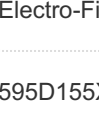

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Failure Rate                                                                                                                                                                                                                                                                                                                                                                                                                           | -                                                                         | ESR (Equivalent Series Resistance) | 3.8 Ohm                            |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                   | 1.5µF Conformal Coated Tantalum Capacitors 25V 1507 (3718 Metric) 3.8 Ohm | Capacitance                        | 1.5µF                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 76825 pieces of Electro-Films (EFI) / Vishay 595D155X9025A8T in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                           |                                    |                                    |
