

600S910JT250XT

Part Number:

600S910JT250XT

Manufacturer:

American Technical Ceramics

Description:

CAP CER 91PF 250V NP0 0603

Data sheet:

 [600S Series](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

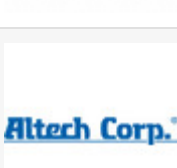

DHL/Fedex/TNT/UPS/EMS

| Quantity Available              | 72580 pcs                                                   | Data sheet                       | <a href="#">600S Series</a>                 |
| Category                        | <a href="#">Capacitors</a>                                  | Voltage - Rated                  | 250V                                        |
| Tolerance                       | ±5%                                                         | Thickness (Max)                  | 0.035" (0.89mm)                             |
| Temperature Coefficient         | C0G, NP0                                                    | Size / Dimension                 | 0.063" L x 0.032" W (1.60mm x 0.81mm)       |
| Series                          | ATC 600S                                                    | Ratings                          | -                                           |
| Packaging                       | Cut Tape (CT)                                               | Package / Case                   | 0603 (1608 Metric)                          |
| Other Names                     | 1284-1960-1                                                 | Operating Temperature            | -55°C ~ 125°C                               |
| Mounting Type                   | Surface Mount, MLCC                                         | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                               |
| Manufacturer Standard Lead Time | 11 Weeks                                                    | Lead Style                       | -                                           |
| Lead Spacing                    | -                                                           | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                  |
| Height - Seated (Max)           | -                                                           | Features                         | High Q, Low Loss, Ultra Low ESR             |
| Detailed Description            | 91pF ±5% 250V Ceramic Capacitor C0G, NP0 0603 (1608 Metric) | Capacitance                      | 91pF                                        |
| Applications                    | RF, Microwave, High Frequency, Bypass, Decoupling           |                                  |                                             |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all American Technical Ceramics series electronic components. We have 72580 pieces of American Technical Ceramics 600S910JT250XT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
