

672D826H075EK5C

Part Number: 672D826H075EK5C

Manufacturer: Electro-Films (EFI) / Vishay

Description: CAP ALUM 82UF 75V RADIAL

Data sheet:  672D Series

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 82µF                               | Applications                    | General Purpose                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 23559 pieces of Electro-Films (EFI) / Vishay 672D826H075EK5C in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                    |                                 |                                                       |
