Buy 672M-02ILFT with confidence from Component-World.HK, 1 Year Warranty

**Part Number:** 672M-02ILFT

**Manufacturer** IDT (Integrated Device Technology)

**Description** IC DELAY BUFFER QUADRACK 16SOIC

**Data sheet:**  [ICS672-01/02](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

[Request For Quotation](#)

| PRODUCT PARAMETER                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                 |                                 |                                                    |

| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all IDT (Integrated Device Technology) series electronic components. We have 27857 pieces of IDT (Integrated Device Technology) 672M-02ILFT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                 |                                 |                                                    |
