

70V7599S133BC8

Integrated Device Technology

**Part Number:** 70V7599S133BC8

**Manufacturer:** IDT (Integrated Device Technology)

**Description:** IC SRAM 4.5M PARALLEL 256CABGA

**Data sheet:**  [IDT70V7599S](#)  
 [IDT Suffixes](#)

**RoHs Status:** Contains lead / RoHS non-compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Voltage - Supply                | 3.15 V ~ 3.45 V                                                                                   | Technology                       | SRAM - Dual Port, Synchronous                               |
| Supplier Device Package         | 256-CABGA (17x17)                                                                                 | Series                           | -                                                           |
| Packaging                       | Tape & Reel (TR)                                                                                  | Package / Case                   | 256-LBGA                                                    |
| Other Names                     | IDT70V7599S133BC8<br>IDT70V7599S133BC8-ND                                                         | Operating Temperature            | 0°C ~ 70°C (TA)                                             |
| Mounting Type                   | Surface Mount                                                                                     | Moisture Sensitivity Level (MSL) | 4 (72 Hours)                                                |
| Memory Type                     | Volatile                                                                                          | Memory Size                      | 4.5Mb (128K x 36)                                           |
| Memory Interface                | Parallel                                                                                          | Memory Format                    | SRAM                                                        |
| Manufacturer Standard Lead Time | 10 Weeks                                                                                          | Lead Free Status / RoHS Status   | Contains lead / RoHS non-compliant                          |
| Detailed Description            | SRAM - Dual Port, Synchronous Memory IC 4.5Mb (128K x 36) Parallel 133MHz 4.2ns 256-CABGA (17x17) | Clock Frequency                  | 133MHz                                                      |
| Base Part Number                | IDT70V7599                                                                                        | Access Time                      | 4.2ns                                                       |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all IDT (Integrated Device Technology) series electronic components. We have 1139 pieces of IDT (Integrated Device Technology) 70V7599S133BC8 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
