

715P472516LD3

Part Number: 715P472516LD3

Manufacturer: [Cornell Dubilier Electronics](#)

Description: CAP FILM 4700PF 5% 1.6KVDC RAD

Data sheet:  [715P Series](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                 | 4700pF Film Capacitor 500V 1600V (1.6kV) Polypropylene (PP), Metallized Radial | Capacitance                      | 4700pF                                       |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                         | High Frequency, Switching; High Pulse, DV/DT; Snubber                          |                                  |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 65522 pieces of Cornell Dubilier Electronics 715P472516LD3 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                                |                                  |                                              |
