

72V835L20PF8

Part Number: 72V835L20PF8

Manufacturer: IDT (Integrated Device Technology)

Description: IC FIFO SYNC 2048X18 128QFP

Data sheet:  72V8x5

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                               | 72V835                                | Access Time                      | 12ns                               |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all IDT (Integrated Device Technology) series electronic components. We have 5953 pieces of IDT (Integrated Device Technology) 72V835L20PF8 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                       |                                  |                                    |
