

74AUP2G32GT,115

Part Number: 74AUP2G32GT,115

Manufacturer Nexperia

Description IC GATE OR 2CH 2-INP 8XSON

Data sheet:  74AUP2G32

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Current - Quiescent (Max)                                                                                                                                                                                                                                                                                                                                                                                                                      | 500nA                                                                                                                                   | Current - Output High, Low       | 4mA, 4mA                             |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                               | 74AUP2G32                                                                                                                               |                                  |                                      |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nexperia series electronic components. We have 189948 pieces of Nexperia 74AUP2G32GT,115 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                                                                         |                                  |                                      |
