

74F823SC

ON Semiconductor®

Part Number: 74F823SC

Manufacturer: AMI Semiconductor / ON Semiconductor

Description: IC FF D-TYPE SNGL 9BIT 24SOIC

Data sheet:  74F823

RoHs Status: Lead free / RoHS Compliant

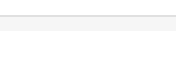

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                                                                                                                                                                                                                                                                                                                                                                                                                                       | Integrated Circuits (ICs)      | Voltage - Supply                  | 4.5 V ~ 5.5 V                        |
| Type                                                                                                                                                                                                                                                                                                                                                                                                                                           | D-Type                         | Trigger Type                      | Positive Edge                        |
| Series                                                                                                                                                                                                                                                                                                                                                                                                                                         | 74F                            | Packaging                         | Tube                                 |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                                 | 24-SOIC (0.295", 7.50mm Width) | Output Type                       | Tri-State, Non-Inverted              |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                                          | 0°C ~ 70°C (TA)                | Number of Elements                | 1                                    |
| Number of Bits per Element                                                                                                                                                                                                                                                                                                                                                                                                                     | 9                              | Mounting Type                     | Surface Mount                        |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                               | 1 (Unlimited)                  | Max Propagation Delay @ V, Max CL | 9.5ns @ 5V, 50pF                     |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                                 | Lead free / RoHS Compliant     | Function                          | Master Reset                         |
| Current - Quiescent (Iq)                                                                                                                                                                                                                                                                                                                                                                                                                       | 100mA                          | Current - Output High, Low        | 3mA, 24mA                            |
| Clock Frequency                                                                                                                                                                                                                                                                                                                                                                                                                                | 160MHz                         | Base Part Number                  | 74F823                               |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all AMI Semiconductor / ON Semiconductor series electronic components. We have 5065 pieces of AMI Semiconductor / ON Semiconductor 74F823SC in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                |                                   |                                      |

|  | Part#: 74F74SCX<br>Description: IC FF D-TYPE DUAL 1BIT 14SOIC       | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74F779SC<br>Description: IC COUNTER BIDIRECT 8BIT 16-SOIC    | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74F823PC<br>Description: IC FF D-TYPE SNGL 9BIT 24DIP        | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74F825SCX<br>Description: IC FF D-TYPE SNGL 8BIT 24SOIC      | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74F825AI-RC<br>Description: FIXED IND 82UH 200MA 5.1 OHM     | Manufacturers: Bourns, Inc.                         | RFQ |
|  | Part#: 74F826AP-RC<br>Description: FIXED IND 8.2UH 275MA 1.9 OHM TH | Manufacturers: Bourns, Inc.                         | RFQ |
|  | Part#: 74F825SPC<br>Description: IC FF D-TYPE SNGL 8BIT 24DIP       | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74F74SJX<br>Description: IC FF D-TYPE DUAL 1BIT 14SOP        | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74F821SPC<br>Description: IC FF D-TYPE SNGL 10BIT 24DIP      | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74F74SJ<br>Description: IC FF D-TYPE DUAL 1BIT 14SOP         | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74F823SCX<br>Description: IC FF D-TYPE SNGL 9BIT 24SOIC      | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74F794PC<br>Description: IC FF D-TYPE SNGL 8BIT 20DIP        | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
