

74HC1G32GV,125

Part Number: [74HC1G32GV,125](#)

Manufacturer: [Nexperia](#)

Description: IC GATE OR 1CH 2-INP 5TSOP

Data sheet:  [74HC\(T\)1G32](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                           | OR Gate IC 1 Channel 5-TSOP                                                                                    | Current - Quiescent (Max)        | 20µA                        |
| Current - Output High, Low                                                                                                                                                                                                                                                                                                                                                                                                                     | 2.6mA, 2.6mA                                                                                                   | Base Part Number                 | 74HC1G32                    |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nexperia series electronic components. We have 1936593 pieces of Nexperia 74HC1G32GV,125 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                                                |                                  |                             |
