

74HC257N,652

Part Number: 74HC257N,652

Manufacturer: NXP Semiconductors / Freescale

Description: IC MUX QUAD 2INPUT 3STATE 16DIP

Data sheet:  74HC(T)257

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Multiplexer 4 x 2:1 16-DIP                | Current - Output High, Low       | 7.8mA, 7.8mA                                   |
| Circuit                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 4 x 2:1                                   | Base Part Number                 | 74HC257                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all NXP Semiconductors / Freescale series electronic components. We have 5153 pieces of NXP Semiconductors / Freescale 74HC257N,652 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                                |
