

74HC2G14GV,125

Part Number: 74HC2G14GV,125

Manufacturer Nexperia

Description IC INVERTER SCHMITT 2CH 6TSOP

Data sheet:  74HC(T)2G14

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Supplier Device Package                                                                                                                                                                                                                                                                                                                                                                        | 6-TSOP                                       | Series                           | 74HC                       |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                      | Original-Reel®                               | Package / Case                   | SC-74, SOT-457             |
| Other Names                                                                                                                                                                                                                                                                                                                                                                                    | 1727-6046-6<br>568-7738-6<br>568-7738-6-ND   | Operating Temperature            | -40°C ~ 125°C              |
| Number of Inputs                                                                                                                                                                                                                                                                                                                                                                               | 2                                            | Number of Circuits               | 2                          |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                  | Surface Mount                                | Moisture Sensitivity Level (MSL) | 1 (Unlimited)              |
| Max Propagation Delay @ V, Max CL                                                                                                                                                                                                                                                                                                                                                              | 21ns @ 6V, 50pF                              | Logic Type                       | Inverter                   |
| Logic Level - Low                                                                                                                                                                                                                                                                                                                                                                              | 0.3 V ~ 1.2 V                                | Logic Level - High               | 1.5 V ~ 4.2 V              |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                 | Lead free / RoHS Compliant                   | Features                         | Schmitt Trigger            |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                           | Inverter IC 2 Channel Schmitt Trigger 6-TSOP | Current - Quiescent (Max)        | 1µA                        |
| Current - Output High, Low                                                                                                                                                                                                                                                                                                                                                                     | 5.2mA, 5.2mA                                 | Base Part Number                 | 74HC2G14                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nexperia series electronic components. We have 483667 pieces of Nexperia 74HC2G14GV,125 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                              |                                  |                            |

|  | Part#: 74HC2G32DC,125<br>Description: IC GATE OR 2CH 2-INP 8-VSSOP      | Manufacturers: Nexperia USA Inc.              | RFQ |
|  | Part#: 74HC2G126GD,125<br>Description: IC BUFFER NON-INVERT 6V 8XSON    | Manufacturers: NXP Semiconductors / Freescale | RFQ |
|  | Part#: 74HC2G16GVH<br>Description: IC BUFFER NON-INVERT 6V 6TSOP        | Manufacturers: Nexperia                       | RFQ |
|  | Part#: 74HC2G08DP-Q100H<br>Description: IC GATE AND 2CH 2-INP 8TSSOP    | Manufacturers: Nexperia                       | RFQ |
|  | Part#: 74HC2G125GD,125<br>Description: IC BUFFER NON-INVERT 6V 8XSON    | Manufacturers: Nexperia                       | RFQ |
|  | Part#: 74HC2G14GV-Q100H<br>Description: IC INVERTER SCHMITT 2CH 6TSOP   | Manufacturers: Nexperia                       | RFQ |
|  | Part#: 74HC2G17GW,125<br>Description: IC BUFFER NON-INVERT 6V 6TSSOP    | Manufacturers: Nexperia                       | RFQ |
|  | Part#: 74HC2G08GD,125<br>Description: IC GATE AND 2CH 2-INP 8XSON       | Manufacturers: Nexperia                       | RFQ |
|  | Part#: 74HC2G125DC,125<br>Description: IC BUFFER NON-INVERT 6V 8VSSOP   | Manufacturers: Nexperia                       | RFQ |
|  | Part#: 74HC2G14GW,125<br>Description: IC INVERTER SCHMITT 2CH 6TSSOP    | Manufacturers: Nexperia                       | RFQ |
|  | Part#: 74HC2G125DC-Q100H<br>Description: IC BUFFER NON-INVERT 6V 8VSSOP | Manufacturers: Nexperia                       | RFQ |
|  | Part#: 74HC2G126DP,125<br>Description: IC BUFFER NON-INVERT 6V 8TSSOP   | Manufacturers: Nexperia                       | RFQ |

|                                     |                                  |                         |                      |
