

74HCT7540N,112

Part Number: 74HCT7540N,112

Manufacturer: NXP Semiconductors / Freescale

Description: IC BUFFER INVERT 5.5V 20DIP

Data sheet:  74HC(T)7540

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| PRODUCT PARAMETER                |                                                                     |                                |                                             |
|----------------------------------|---------------------------------------------------------------------|--------------------------------|---------------------------------------------|
| Part Number                      | 74HCT7540N,112                                                      | Manufacturer                   | NXP Semiconductors / Freescale              |
| Description                      | IC BUFFER INVERT 5.5V 20DIP                                         | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                  |
| Quantity Available               | 4916 pcs                                                            | Data sheet                     | 74HC(T)7540                                 |
| Category                         | Integrated Circuits (ICs)                                           | Voltage - Supply               | 4.5 V ~ 5.5 V                               |
| Supplier Device Package          | 20-DIP                                                              | Series                         | 74HCT                                       |
| Packaging                        | Tube                                                                | Package / Case                 | 20-DIP (0.300", 7.62mm)                     |
| Output Type                      | 3-State                                                             | Other Names                    | 568-2907-5<br>74HCT7540N112<br>933967880112 |
| Operating Temperature            | -40°C ~ 125°C (TA)                                                  | Number of Elements             | 1                                           |
| Number of Bits per Element       | 8                                                                   | Mounting Type                  | Through Hole                                |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                       | Logic Type                     | Buffer, Inverting                           |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                          | Input Type                     | -                                           |
| Detailed Description             | Buffer, Inverting 1 Element 8 Bit per Element 3-State Output 20-DIP | Current - Output High, Low     | 6mA, 6mA                                    |
| Base Part Number                 | 74HCT7540                                                           |                                |                                             |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all NXP Semiconductors / Freescale series electronic components. We have 4916 pieces of NXP Semiconductors / Freescale 74HCT7540N,112 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
