Buy 74LV273PW,118 with confidence from Component-World.HK, 1 Year Warranty

Part Number: 74LV273PW,118

Manufacturer Nexperia

Description IC FF D-TYPE SNGL 8BIT 20TSSOP

Data sheet:  74LV273

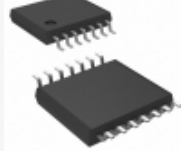

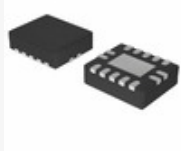

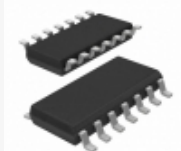

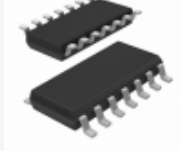

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

Request For Quotation

| PRODUCT PARAMETER                                                                                                                                                                                                                                                                                                                                                                             |                                 |                                  |                            |

| Category                                                                                                                                                                                                                                                                                                                                                                                      | Integrated Circuits (ICs)       | Voltage - Supply                 | 1 V ~ 5.5 V                |
| Type                                                                                                                                                                                                                                                                                                                                                                                          | D-Type                          | Trigger Type                     | Positive Edge              |
| Series                                                                                                                                                                                                                                                                                                                                                                                        | 74LV                            | Packaging                        | Cut Tape (CT)              |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                | 20-TSSOP (0.173", 4.40mm Width) | Output Type                      | Non-Inverted               |
| Other Names                                                                                                                                                                                                                                                                                                                                                                                   | 568-8954-1                      | Operating Temperature            | -40°C ~ 125°C (TA)         |
| Number of Elements                                                                                                                                                                                                                                                                                                                                                                            | 1                               | Number of Bits per Element       | 8                          |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                 | Surface Mount                   | Moisture Sensitivity Level (MSL) | 1 (Unlimited)              |
| Max Propagation Delay @ V, Max CL                                                                                                                                                                                                                                                                                                                                                             | 16ns @ 5V, 50pF                 | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant |
| Input Capacitance                                                                                                                                                                                                                                                                                                                                                                             | 3.5pF                           | Function                         | Master Reset               |
| Current - Quiescent (Iq)                                                                                                                                                                                                                                                                                                                                                                      | 160µA                           | Current - Output High, Low       | 12mA, 12mA                 |
| Clock Frequency                                                                                                                                                                                                                                                                                                                                                                               | 100MHz                          | Base Part Number                 | 74LV273                    |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nexperia series electronic components. We have 167659 pieces of Nexperia 74LV273PW,118 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                 |                                  |                            |

|  | Part#: 74LV273DB,118<br>Description: IC FF D-TYPE SNGL 8BIT 20SSOP    | Manufacturers: NXP Semiconductors / Freescale | <div>RFQ</div> |
|  | Part#: 74LV32DB,112<br>Description: IC GATE OR 4CH 2-INP 14SSOP       | Manufacturers: NXP Semiconductors / Freescale | <div>RFQ</div> |
|  | Part#: 74LV273PW,112<br>Description: IC FF D-TYPE SNGL 8BIT 20TSSOP   | Manufacturers: NXP Semiconductors / Freescale | <div>RFQ</div> |
|  | Part#: 74LV27D,118<br>Description: IC GATE NOR 3CH 3-INP 14SO         | Manufacturers: NXP Semiconductors / Freescale | <div>RFQ</div> |
|  | Part#: 74LV259DB,118<br>Description: IC 8BIT ADDRESSABLE LATCH 16SSOP | Manufacturers: NXP Semiconductors / Freescale | <div>RFQ</div> |
|  | Part#: 74LV32DB,118<br>Description: IC GATE OR 4CH 2-INP 14SSOP       | Manufacturers: Nexperia                       | <div>RFQ</div> |
|  | Part#: 74LV259PW,118<br>Description: IC 8BIT ADDRESSABL LATCH 16TSSOP | Manufacturers: NXP Semiconductors / Freescale | <div>RFQ</div> |
|  | Part#: 74LV27D,112<br>Description: IC GATE NOR 3CH 3-INP 14SO         | Manufacturers: NXP Semiconductors / Freescale | <div>RFQ</div> |
