

74LVC132ABQ,115

**Part Number:** 74LVC132ABQ,115

**Manufacturer:** Nexperia

**Description:** IC GATE NAND SCHMIT 4CH 14DHVQFN

**Data sheet:**  74LVC132A

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Features                                                                                                                                                                                                                                                                                                                                                                                                                                       | Schmitt Trigger                            | Detailed Description             | NAND Gate IC 4 Channel Schmitt Trigger 14-DHVQFN (2.5x3) |
| Current - Quiescent (Max)                                                                                                                                                                                                                                                                                                                                                                                                                      | 40µA                                       | Current - Output High, Low       | 24mA, 24mA                                               |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                               | 74LVC132                                   |                                  |                                                          |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nexperia series electronic components. We have 264548 pieces of Nexperia 74LVC132ABQ,115 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                            |                                  |                                                          |
