

74LVC16245AEV,518

Part Number: 74LVC16245AEV,518

Manufacturer Nexperia

Description IC TXRX NON-INVERT 3.6V 56VFBGA

Data sheet:  74LVC(H)16245A

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

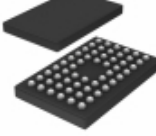

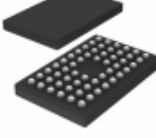

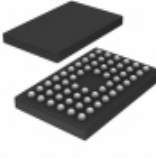

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| PRODUCT PARAMETER                |                                                                                        |                                |                                    |
|----------------------------------|----------------------------------------------------------------------------------------|--------------------------------|------------------------------------|
| Part Number                      | 74LVC16245AEV,518                                                                      | Manufacturer                   | Nexperia                           |
| Description                      | IC TXRX NON-INVERT 3.6V 56VFBGA                                                        | Lead Free Status / RoHS Status | Contains lead / RoHS non-compliant |
| Quantity Available               | 4758 pcs                                                                               | Data sheet                     | 74LVC(H)16245A                     |
| Category                         | Integrated Circuits (ICs)                                                              | Voltage - Supply               | 1.2 V ~ 3.6 V                      |
| Supplier Device Package          | 56-VFBGA (4.5x7)                                                                       | Series                         | 74LVC                              |
| Packaging                        | Tape & Reel (TR)                                                                       | Package / Case                 | 56-VFBGA                           |
| Output Type                      | 3-State                                                                                | Other Names                    | 935270793518                       |
| Operating Temperature            | -40°C ~ 125°C (TA)                                                                     | Number of Elements             | 2                                  |
| Number of Bits per Element       | 8                                                                                      | Mounting Type                  | Surface Mount                      |
| Moisture Sensitivity Level (MSL) | 2 (1 Year)                                                                             | Logic Type                     | Transceiver, Non-Inverting         |
| Lead Free Status / RoHS Status   | Contains lead / RoHS non-compliant                                                     | Input Type                     | -                                  |
| Detailed Description             | Transceiver, Non-Inverting 2 Element 8 Bit per Element 3-State Output 56-VFBGA (4.5x7) | Current - Output High, Low     | 24mA, 24mA                         |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nexperia series electronic components. We have 4758 pieces of Nexperia 74LVC16245AEV,518 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
