

74LVC1G125GW,165

**Part Number:** 74LVC1G125GW,165

**Manufacturer:** Nexperia

**Description:** IC BUF NON-INVERT 5.5V 5TSSOP

**Data sheet:**  74LVC1G125

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| PRODUCT PARAMETER                |                                                                          |                                |                                                     |
|----------------------------------|--------------------------------------------------------------------------|--------------------------------|-----------------------------------------------------|
| Part Number                      | 74LVC1G125GW,165                                                         | Manufacturer                   | Nexperia                                            |
| Description                      | IC BUF NON-INVERT 5.5V 5TSSOP                                            | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                          |
| Quantity Available               | 4022 pcs                                                                 | Data sheet                     | 74LVC1G125                                          |
| Category                         | Integrated Circuits (ICs)                                                | Voltage - Supply               | 1.65 V ~ 5.5 V                                      |
| Supplier Device Package          | 5-TSSOP                                                                  | Series                         | 74LVC                                               |
| Packaging                        | Tape & Reel (TR)                                                         | Package / Case                 | 5-TSSOP, SC-70-5, SOT-353                           |
| Output Type                      | 3-State                                                                  | Other Names                    | 74LVC1G125GW-R<br>74LVC1G125GW-R-ND<br>935268720165 |
| Operating Temperature            | -40°C ~ 125°C (TA)                                                       | Number of Elements             | 1                                                   |
| Number of Bits per Element       | 1                                                                        | Mounting Type                  | Surface Mount                                       |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                            | Logic Type                     | Buffer, Non-Inverting                               |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                               | Input Type                     | -                                                   |
| Detailed Description             | Buffer, Non-Inverting 1 Element 1 Bit per Element 3-State Output 5-TSSOP | Current - Output High, Low     | 32mA, 32mA                                          |
| Base Part Number                 | 74LVC1G125                                                               |                                |                                                     |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nexperia series electronic components. We have 4022 pieces of Nexperia 74LVC1G125GW,165 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
