

74LVC1G74GD/C4H

Part Number: 74LVC1G74GD/C4H

Manufacturer Nexperia

Description IC FF D-TYPE SNGL 1BIT 8XSON

Data sheet:  74LVC1G74

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                             | 1 (Unlimited)                             | Max Propagation Delay @ V, Max CL | 4.1ns @ 5V, 50pF           |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                               | Lead free / RoHS Compliant                | Input Capacitance                 | 4pF                        |
| Function                                                                                                                                                                                                                                                                                                                                                                                                                                     | Set(Preset) and Reset                     | Current - Quiescent (Iq)          | 4µA                        |
| Current - Output High, Low                                                                                                                                                                                                                                                                                                                                                                                                                   | 32mA, 32mA                                | Clock Frequency                   | 200MHz                     |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nexperia series electronic components. We have 4900 pieces of Nexperia 74LVC1G74GD/C4H in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                   |                            |
