

74LVC2G32GXX

Part Number: 74LVC2G32GXX

Manufacturer Nexperia

Description IC GATE OR 2CH 2-INP 8X2SON

Data sheet:  74LVC2G32

RoHs Status:

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                                                                                                                                                                                                                                                                                                                                                                                     | Integrated Circuits (ICs)               | Voltage - Supply                 | 1.65 V ~ 5.5 V     |
| Supplier Device Package                                                                                                                                                                                                                                                                                                                                                                      | 8-X2SON (1.35x0.8)                      | Series                           | 74LVC              |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                    | Cut Tape (CT)                           | Package / Case                   | 8-XDFN Exposed Pad |
| Other Names                                                                                                                                                                                                                                                                                                                                                                                  | 1727-7432-1                             | Operating Temperature            | -40°C ~ 125°C      |
| Number of Inputs                                                                                                                                                                                                                                                                                                                                                                             | 2                                       | Number of Circuits               | 2                  |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                | Surface Mount                           | Moisture Sensitivity Level (MSL) | 1 (Unlimited)      |
| Max Propagation Delay @ V, Max CL                                                                                                                                                                                                                                                                                                                                                            | 4ns @ 5V, 50pF                          | Manufacturer Standard Lead Time  | 13 Weeks           |
| Logic Type                                                                                                                                                                                                                                                                                                                                                                                   | OR Gate                                 | Logic Level - Low                | 0.1 V ~ 0.8 V      |
| Logic Level - High                                                                                                                                                                                                                                                                                                                                                                           | 0.95 V ~ 3.4 V                          | Features                         | -                  |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                         | OR Gate IC 2 Channel 8-X2SON (1.35x0.8) | Current - Quiescent (Max)        | 4µA                |
| Current - Output High, Low                                                                                                                                                                                                                                                                                                                                                                   | 32mA, 32mA                              |                                  |                    |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nexperia series electronic components. We have 154246 pieces of Nexperia 74LVC2G32GXX in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                         |                                  |                    |
