

74LVCH16244AEV/G:5

Part Number: 74LVCH16244AEV/G:5

Manufacturer Nexperia

Description IC BUF NON-INVERT 3.6V 56VFBGA

Data sheet:  74LVC(H)16244A

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Quantity Available               | 4067 pcs                                                                          | Data sheet                     | 74LVC(H)16244A                                          |
| Category                         | Integrated Circuits (ICs)                                                         | Voltage - Supply               | 1.2 V ~ 3.6 V                                           |
| Supplier Device Package          | 56-VFBGA (4.5x7)                                                                  | Series                         | 74LVCH                                                  |
| Packaging                        | Tray                                                                              | Package / Case                 | 56-VFBGA                                                |
| Output Type                      | 3-State                                                                           | Other Names                    | 74LVCH16244AEV/G<br>74LVCH16244AEV/G-ND<br>935281129557 |
| Operating Temperature            | -40°C ~ 125°C (TA)                                                                | Number of Elements             | 4                                                       |
| Number of Bits per Element       | 4                                                                                 | Mounting Type                  | Surface Mount                                           |
| Moisture Sensitivity Level (MSL) | 2 (1 Year)                                                                        | Logic Type                     | Buffer, Non-Inverting                                   |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                                        | Input Type                     | -                                                       |
| Detailed Description             | Buffer, Non-Inverting 4 Element 4 Bit per Element 3-State Output 56-VFBGA (4.5x7) | Current - Output High, Low     | 24mA, 24mA                                              |
| Base Part Number                 | 74LVCH16244                                                                       |                                |                                                         |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nexperia series electronic components. We have 4067 pieces of Nexperia 74LVCH16244AEV/G:5 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
