

74LVCH16374ADGGRG4

COMPONENTS-WORLD.COM

**Part Number:** 74LVCH16374ADGGRG4

**Manufacturer:** N/A

**Description:** IC FF D-TYPE DUAL 8BIT 48TSSOP

**Data sheet:**

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Category                                                                                                                                                                                                                                                                                                                                                                         | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Supply                  | 1.65 V ~ 3.6 V             |
| Type                                                                                                                                                                                                                                                                                                                                                                             | D-Type                                    | Trigger Type                      | Positive Edge              |
| Series                                                                                                                                                                                                                                                                                                                                                                           | 74LVCH                                    | Packaging                         | Tape & Reel (TR)           |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                   | 48-TFSOP (0.240", 6.10mm Width)           | Output Type                       | Tri-State, Non-Inverted    |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                            | -40°C ~ 125°C (TA)                        | Number of Elements                | 2                          |
| Number of Bits per Element                                                                                                                                                                                                                                                                                                                                                       | 8                                         | Mounting Type                     | Surface Mount              |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                 | 1 (Unlimited)                             | Max Propagation Delay @ V, Max CL | 4.5ns @ 3.3V, 50pF         |
| Manufacturer Standard Lead Time                                                                                                                                                                                                                                                                                                                                                  | 6 Weeks                                   | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant |
| Input Capacitance                                                                                                                                                                                                                                                                                                                                                                | 5pF                                       | Function                          | Standard                   |
| Current - Quiescent (Iq)                                                                                                                                                                                                                                                                                                                                                         | 20µA                                      | Current - Output High, Low        | 24mA, 24mA                 |
| Clock Frequency                                                                                                                                                                                                                                                                                                                                                                  | 150MHz                                    | Base Part Number                  | 74LVCH16374                |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all series electronic components. We have 111703 pieces of 74LVCH16374ADGGRG4 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                           |                                   |                            |
