

74LVCH322245AEC;55

Part Number: 74LVCH322245AEC;55

Manufacturer: NXP Semiconductors / Freescale

Description: IC TXRX NON-INVERT 3.6V 96LFBGA

Data sheet:  74LVCH322245A

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Part Number                      | 74LVCH322245AEC;55                                                                        | Manufacturer                   | NXP Semiconductors / Freescale                        |
| Description                      | IC TXRX NON-INVERT 3.6V 96LFBGA                                                           | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                            |
| Quantity Available               | 4673 pcs                                                                                  | Data sheet                     | 74LVCH322245A                                         |
| Category                         | Integrated Circuits (ICs)                                                                 | Voltage - Supply               | 1.2 V ~ 3.6 V                                         |
| Supplier Device Package          | 96-LFBGA (13.5x5.5)                                                                       | Series                         | 74LVCH                                                |
| Packaging                        | Tray                                                                                      | Package / Case                 | 96-LFBGA                                              |
| Output Type                      | 3-State                                                                                   | Other Names                    | 74LVCH322245AEC<br>74LVCH322245AEC-ND<br>935263932557 |
| Operating Temperature            | -40°C ~ 125°C (TA)                                                                        | Number of Elements             | 4                                                     |
| Number of Bits per Element       | 8                                                                                         | Mounting Type                  | Surface Mount                                         |
| Moisture Sensitivity Level (MSL) | 2A (4 Weeks)                                                                              | Logic Type                     | Transceiver, Non-Inverting                            |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                                                | Input Type                     | -                                                     |
| Detailed Description             | Transceiver, Non-Inverting 4 Element 8 Bit per Element 3-State Output 96-LFBGA (13.5x5.5) | Current - Output High, Low     | 12mA, 12mA                                            |
| Base Part Number                 | 74LVCH322245                                                                              |                                |                                                       |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all NXP Semiconductors / Freescale series electronic components. We have 4673 pieces of NXP Semiconductors / Freescale 74LVCH322245AEC;55 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
