

74LX1G04STR

  
life.augmented

**Part Number:** 74LX1G04STR

**Manufacturer:** STMicroelectronics

**Description:** IC INVERTER 1CH 1-INP SOT23-5

**Data sheet:**  74LX1G04

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Category                                                                                                                                                                                                                                                                                                                                                                                                         | Integrated Circuits (ICs)      | Voltage - Supply                 | 1.65 V ~ 5.5 V             |
| Supplier Device Package                                                                                                                                                                                                                                                                                                                                                                                          | SOT-23-5                       | Series                           | 74LX                       |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                        | Tape & Reel (TR)               | Package / Case                   | SC-74A, SOT-753            |
| Other Names                                                                                                                                                                                                                                                                                                                                                                                                      | 497-1249-2                     | Operating Temperature            | -55°C ~ 125°C              |
| Number of Inputs                                                                                                                                                                                                                                                                                                                                                                                                 | 1                              | Number of Circuits               | 1                          |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                    | Surface Mount                  | Moisture Sensitivity Level (MSL) | 1 (Unlimited)              |
| Max Propagation Delay @ V, Max CL                                                                                                                                                                                                                                                                                                                                                                                | 4.2ns @ 5V, 50pF               | Logic Type                       | Inverter                   |
| Logic Level - Low                                                                                                                                                                                                                                                                                                                                                                                                | -                              | Logic Level - High               | -                          |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                   | Lead free / RoHS Compliant     | Features                         | -                          |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                             | Inverter IC 1 Channel SOT-23-5 | Current - Quiescent (Max)        | 10µA                       |
| Current - Output High, Low                                                                                                                                                                                                                                                                                                                                                                                       | 32mA, 32mA                     | Base Part Number                 | 74LX1G04                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all STMicroelectronics series electronic components. We have 1157469 pieces of STMicroelectronics 74LX1G04STR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                |                                  |                            |

|  | Part#: 74LX1G126STR<br>Description: IC BUF NON-INVERT 5.5V SOT23-5   | Manufacturers: STMicroelectronics                   | <a href="#">RFQ</a> |
|  | Part#: 74LX1G125STR<br>Description: IC BUF NON-INVERT 5.5V SOT23-5   | Manufacturers: STMicroelectronics                   | <a href="#">RFQ</a> |
|  | Part#: 74LX1G03STR<br>Description: IC GATE NAND 1CH 2-INP SOT23-5    | Manufacturers: STMicroelectronics                   | <a href="#">RFQ</a> |
|  | Part#: 74LX1G08STR<br>Description: IC GATE AND 1CH 2-INP SOT23-5     | Manufacturers: STMicroelectronics                   | <a href="#">RFQ</a> |
|  | Part#: 74LX1G04CTR<br>Description: IC INVERTER 1CH 1-INP SOT323-5    | Manufacturers: STMicroelectronics                   | <a href="#">RFQ</a> |
|  | Part#: 74LX1G126CTR<br>Description: IC BUFF NON-INVERT 5.5V SOT323-5 | Manufacturers: STMicroelectronics                   | <a href="#">RFQ</a> |
|  | Part#: 74LX1G132CTR<br>Description: IC GATE NAND SCHMITT 1CH SOT323  | Manufacturers: STMicroelectronics                   | <a href="#">RFQ</a> |
|  | Part#: 74LVXU04TTR<br>Description: IC INVERTER 6CH 6-INP 14TSSOP     | Manufacturers: STMicroelectronics                   | <a href="#">RFQ</a> |
|  | Part#: 74LX1G02CTR<br>Description: IC GATE NOR 1CH 2-INP SOT323-5    | Manufacturers: STMicroelectronics                   | <a href="#">RFQ</a> |
|  | Part#: 74LX1G05STR<br>Description: IC INVERTER 1CH 1-INP SOT23-5     | Manufacturers: STMicroelectronics                   | <a href="#">RFQ</a> |
|  | Part#: 74LX1G00STR<br>Description: IC GATE NAND 1CH 2-INP SOT23-5    | Manufacturers: STMicroelectronics                   | <a href="#">RFQ</a> |
|  | Part#: 74LVXU04MTR<br>Description: IC INVERTER 6CH 6-INP 14SO        | Manufacturers: STMicroelectronics                   | <a href="#">RFQ</a> |
|  | Part#: 74LX1G07CTR<br>Description: IC BUFF NON-INVERT 5.5V SOT323-5  | Manufacturers: STMicroelectronics                   | <a href="#">RFQ</a> |
