life.augmented

Part Number: 74V2G00STR

Manufacturer: STMicroelectronics

Description: IC GATE NAND 2CH 2-INP SOT23-8

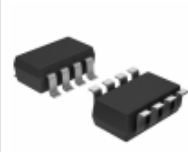

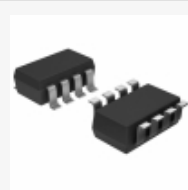

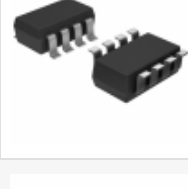

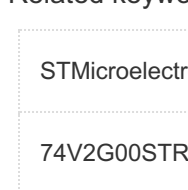

Data sheet:  74V2G00

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| PRODUCT PARAMETER                                                                                                                                                                                                                                                                                                                                                                                             |                                 |                                  |                            |

| Category                                                                                                                                                                                                                                                                                                                                                                                                      | Integrated Circuits (ICs)       | Voltage - Supply                 | 2 V ~ 5.5 V                |
| Supplier Device Package                                                                                                                                                                                                                                                                                                                                                                                       | SOT-23-8                        | Series                           | 74V                        |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                     | Cut Tape (CT)                   | Package / Case                   | SOT-23-8                   |
| Other Names                                                                                                                                                                                                                                                                                                                                                                                                   | 497-1298-1                      | Operating Temperature            | -55°C ~ 125°C              |
| Number of Inputs                                                                                                                                                                                                                                                                                                                                                                                              | 2                               | Number of Circuits               | 2                          |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                 | Surface Mount                   | Moisture Sensitivity Level (MSL) | 1 (Unlimited)              |
| Max Propagation Delay @ V, Max CL                                                                                                                                                                                                                                                                                                                                                                             | 7.5ns @ 5V, 50pF                | Logic Type                       | NAND Gate                  |
| Logic Level - Low                                                                                                                                                                                                                                                                                                                                                                                             | 0.5V                            | Logic Level - High               | 1.5V                       |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                | Lead free / RoHS Compliant      | Features                         | -                          |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                          | NAND Gate IC 2 Channel SOT-23-8 | Current - Quiescent (Max)        | 2µA                        |
| Current - Output High, Low                                                                                                                                                                                                                                                                                                                                                                                    | 8mA, 8mA                        | Base Part Number                 | 74V2G00                    |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all STMicroelectronics series electronic components. We have 92281 pieces of STMicroelectronics 74V2G00STR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                 |                                  |                            |

|  | Part#: 74V1T79STR<br>Description: IC FF D-TYPE SNGL 1BIT SOT23-5  | Manufacturers: STMicroelectronics | RFQ |
|  | Part#: 74V2G08STR<br>Description: IC GATE AND 2CH 2-INP SOT23-8   | Manufacturers: STMicroelectronics | RFQ |
|  | Part#: 74V2G126STR<br>Description: IC BUF NON-INVERT 5.5V SOT23-8 | Manufacturers: STMicroelectronics | RFQ |
|  | Part#: 74V2G02STR<br>Description: IC GATE NOR 2CH 2-INP SOT23-8   | Manufacturers: STMicroelectronics | RFQ |
|  | Part#: 74V1T86STR<br>Description: IC GATE XOR 1CH 2-INP SOT23-5   | Manufacturers: STMicroelectronics | RFQ |
|  | Part#: 74V2G384STR<br>Description: IC BUS SWITCH DUAL HS SOT23-8  | Manufacturers: STMicroelectronics | RFQ |
|  | Part#: 74V2G05STR<br>Description: IC INVERTER 3CH 3-INP SOT23-8   | Manufacturers: STMicroelectronics | RFQ |
