

74VHCT16373ATTR

life.augmented

Part Number: 74VHCT16373ATTR

Manufacturer: STMicroelectronics

Description: IC LATCH 16-BIT D-TYPE 48-TSSOP

Data sheet:  74VHCT16373A

RoHs Status: Lead free / RoHS Compliant

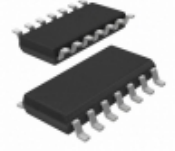

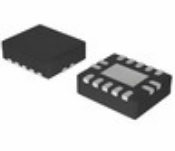

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                                                                                                                                                                                                                                                                                                                                                                                                           | Integrated Circuits (ICs)                                    | Voltage - Supply               | 4.5 V ~ 5.5 V                   |
| Supplier Device Package                                                                                                                                                                                                                                                                                                                                                                                            | 48-TSSOP                                                     | Series                         | 74VHCT                          |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                          | Cut Tape (CT)                                                | Package / Case                 | 48-TFSOP (0.240", 6.10mm Width) |
| Output Type                                                                                                                                                                                                                                                                                                                                                                                                        | Tri-State                                                    | Other Names                    | 497-1107-1                      |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                              | -55°C ~ 125°C                                                | Mounting Type                  | Surface Mount                   |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                   | 1 (Unlimited)                                                | Logic Type                     | D-Type Transparent Latch        |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                     | Lead free / RoHS Compliant                                   | Independent Circuits           | 2                               |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                               | D-Type Transparent Latch 2 Channel 8:8 IC Tri-State 48-TSSOP | Delay Time - Propagation       | 5.5ns                           |
| Current - Output High, Low                                                                                                                                                                                                                                                                                                                                                                                         | 8mA, 8mA                                                     | Circuit                        | 8:8                             |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                   | 74VHCT16373                                                  |                                |                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all STMicroelectronics series electronic components. We have 77887 pieces of STMicroelectronics 74VHCT16373ATTR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                              |                                |                                 |

|  | Part#: 74VHCT16244ATTR<br>Description: IC BUF NON-INVERT 5.5V 48TSSOP  | Manufacturers: STMicroelectronics                   | RFQ |
|  | Part#: 74VHCT14AMX<br>Description: IC INVERTER SCHMITT 6CH 14SOIC      | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74VHCT14ASJX<br>Description: IC INVERTER SCHMITT 6CH 14SOP      | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74VHCT14BQ,115<br>Description: IC INVERTER SCHMITT 6CH 14DHVQFN | Manufacturers: Nexperia                             | RFQ |
|  | Part#: 74VHCT14AN<br>Description: IC INVERTER SCHMITT 6CH 14DIP        | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74VHCT14AMTCX<br>Description: IC INVERTER SCHMITT 6CH 14TSSOP   | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74VHCT16245ATTR<br>Description: IC TXRX NON-INVERT 5.5V 48TSSOP | Manufacturers: STMicroelectronics                   | RFQ |
|  | Part#: 74VHCT240AMTC<br>Description: IC BUFFER INVERT 5.5V 20TSSOP     | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74VHCT240AMTCX<br>Description: IC BUFFER INVERT 5.5V 20TSSOP    | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74VHCT240AM<br>Description: IC BUFFER INVERT 5.5V 20SOIC        | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: 74VHCT238AMTR<br>Description: IC DECODER 3 TO 8 LINE 16-SOIC    | Manufacturers: STMicroelectronics                   | RFQ |
|  | Part#: 74VHCT240AFT<br>Description: IC BUFFER INVERT 5.5V 20TSSOP      | Manufacturers: Toshiba Semiconductor and Storage    | RFQ |
