

79RC32T355-133DHGI

Part Number: 79RC32T355-133DHGI

Manufacturer: IDT (Integrated Device Technology)

Description: IC MPU INTERPRISE 133MHZ 208QFP

Data sheet:  IDT79RC32T355

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Core Processor                                                                                                                                                                                                                                                                                                                                                                                                                                       | MIPS-II                         | Co-Processors/DSP              | -                                                                            |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                     | 79RC32                          | Additional Interfaces          | ATM, I²C, TDM, UART                                                          |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all IDT (Integrated Device Technology) series electronic components. We have 4773 pieces of IDT (Integrated Device Technology) 79RC32T355-133DHGI in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                 |                                |                                                                              |
