

800A100JT250XT

**Part Number:** [800A100JT250XT](#)

**Manufacturer:** [American Technical Ceramics](#)

**Description:** CAP CER 10PF 250V C0G/NP0 0505

**Data sheet:**  [800A Series](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 10pF                           | Applications                     | RF, Microwave, High Frequency, Bypass, Decoupling           |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all American Technical Ceramics series electronic components. We have 79778 pieces of American Technical Ceramics 800A100JT250XT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                |                                  |                                                             |
