| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                               | Lead free / RoHS Compliant    | Input Impedance                  | 1 kOhm, 50 kOhm                    |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                         | Single Phase Meter IC 28-SSOP | Current - Supply                 | -                                  |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                             | IDT90E21                      |                                  |                                    |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all IDT (Integrated Device Technology) series electronic components. We have 5846 pieces of IDT (Integrated Device Technology) 90E21PYGI8 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                               |                                  |                                    |
